

Adventures along the *Niagara River Greenway*

FULL DAY ADVENTURE #1

Start your day on two wheels and ride from **Devil's Hole State Park** to the historic waterside **Village of Lewiston**. Enjoy the many shops and restaurants that adorn this charming village.

After a bite to eat, continue your ride along the **Shoreline Trail** to **Old Fort Niagara** where you can visit the oldest buildings on the Great Lakes and experience the Fort through the eyes of reenactors.

After your step back in time, load your bike on the free **Discover Niagara Shuttle** and jump off at the **Niagara University Castellani Art Museum**. After that, visit the **Underground Railroad Heritage Center** and learn about authentic stories of freedom seekers and abolitionists.

Unwind with a great meal from any of the delicious eateries in downtown Niagara Falls before heading back into the park to witness the beauty of thousands of LED lights at the **nightly illumination of Niagara Falls!**

FULL DAY ADVENTURE #2

Start your day in a powerful way at the **Niagara Power Vista** and discover how power is generated with the water from the Niagara River. Visit **Artpark** overlooking the Niagara River.

After your electrifying experience, head south to **Grand Island** and take a stroll or ride through **Buckhorn State Park**, home to hundreds of bird species.

From there walk or ride breathtaking **West River Trail** and take in the views of the mighty **Niagara River** and the **Canadian Shoreline**.

At **Beaver Island State Park**, you can hit the beach – or a golf ball at the 18 hole public course. It's also a great place to get out on the water in a kayak or canoe.

There are several outstanding dining options on Grand Island for lunch or dinner!

HALF DAY ADVENTURE

Check off this bucket list location and begin your adventure at **Niagara Falls State Park**. Don't miss the chance to stand under the Falls at the **Cave of the Winds** for an exhilarating experience you won't soon forget!

Catch your breath with a stroll through the park toward the **Aquarium of Niagara** where you can make new friends with the sea life that reside there.

Follow the **Gorgeview** trails north toward the Whirlpool Bridge for breathtaking views of the **Niagara Gorge**.

And to wrap up your journey grab the **Discover Niagara Shuttle** at the **Underground Railroad Heritage Center** for a free ride back to the falls.

MORE DON'T MISS ADVENTURES

- ▶ Stroll the **Erie Canal** in The Tonawandas and learn the history of the Erie Canal and the lumber industry.
- ▶ Visit the historic **Darwin Martin House**, Frank Lloyd Wright's famous landmark.
- ▶ Witness the reconstruction of Thaddeus Joy Webster's 1429 Packet Boat at the **Maritime Center for Boat Building**.
