* Multi-Use Trail may be used by bicyclists, pedestrians, skaters, wheelchair users, joggers and other non-motorized users.

BIKING ACROSS THE PEACE BRIDGE:

Due to ongoing construction the Peace Bridge is closed to pedestrians and bicyclists until spring 2019. A shuttle service will be provided for those with proper border crossing identification between the hours of 6:00 AM and 11:00 PM

BIKE SAFETY TIPS

- Bicyclists must obey all traffic lights and signs and must signal for turns whether riding on a roadway, a bike lane or shared-use pathway with pedestrians.
- Bicyclists who violate the law are subject to traffic tickets. Parents can be held responsible for violation by their minor children.
- Erie County requires everyone riding bicycles on county property, regardless of age, to wear approved bicycle helmets.
- A bicyclist must use a bicycle lane that is part of the roadway, if one is provided and is usable. A shared-use pathway is separate from the roadway and a bicyclist may use either the shared-use pathway or the roadway. In some cases, a roadway may be safer than a nearby shared-use pathway.

LEGEND

- Multi-Use Trail *
- Dedicated Bike Lane
- Erie Canal Trail
- NYS Bike Route
- Difficult Connection
- Proposed Erie Cattaraugus Rail Trail
- Hiking Trail
- Major Road
- Notable Place
- Bike Shop
- Park

* Multi-Use Trail may be used by bicyclists, pedestrians, skaters, wheelchair users, joggers and other non-motorized users.

Data is current to 2019. Our trails are evolving and improving rapidly, we welcome your suggestions/shared experiences and will be back to you soon with an updated map.

The Niagara River Greenway is working to connect our waterfront parks and greenspaces with a safe and well maintained multi-use trail providing access to all with linkages across the WNY region.
